

**Iowa Pharmacy Week
October 19-25, 2008**

Tips on Taking Your Medication Properly and Safely

- Use the same pharmacy for all your prescriptions and establish a relationship with your pharmacist.
- Tell your pharmacist about any prescription or over-the-counter medications you are currently taking when filling a new prescription.
- Ask your pharmacist any questions you may have on how to properly and safely take your medications.
- Properly label, store, and dispose of your medications.
