### **Council of Past Presidents Created**

**DES MOINES (April 25, 2008)** The Iowa Pharmacy Association (IPA) is pleased to announce the formation of the Past Presidents Council. All past presidents of IPA and the Iowa Society of Health-system Pharmacists will be invited to serve on the newly created council. The purpose of the council is to serve in an advisory capacity to the IPA Board of Trustees.

The Council of Past Presidents, which will meet annually, will be led by the Chair of the IPA Board of Trustees. The Council's first meeting will be held in conjunction with the IPA Annual Meeting on Thursday, June 19, 2008 in Des Moines.

"The creation of this Council will be a huge asset to the profession in Iowa. The IPA Board of Trustees can draw on past experience and knowledge of this Council to help guide the decisions they make as a board," said Thomas R. Temple, Executive Vice President and CEO of the Association.

*The Iowa Pharmacy Association is the state professional society of pharmacists, united for the purpose of advancing public health, particularly the pharmaceutical care of all Iowans.*
