Title
Insight to Advocacy: Updates from Congress

Course Description:
This education will address past and present legislative efforts being undertaken in the U.S. Senate, particularly by Senator Chuck Grassley, the latest efforts to regulate PBMs, pass providers status, and pass other pharmacy-specific reforms. This education will also address political considerations that may impact certain legislation, such as opposition, implications of grassroots advocacy, and other coalitions aside from pharmacy groups advocating for certain reforms.

Date
02/23/2024

Learning Objectives:
Upon successful completion of this knowledge-based course pharmacists and pharmacy technicians should be able to:
1. Identify federal legislative initiatives supporting pharmacies.
2. Review efforts to safeguard pharmacies in Iowa from PBM abuses.
3. Explain key components of legislative priorities in Iowa.
4. Discuss pending pharmacy legislation.
5. Describe ways to advocate for professional advancement in pharmacy.

Faculty:
Seth Brown
